RIBBON-CUTTING/UNVEILING OF NEW MEDIA CENTER AT KINLOCH PARK MIDDLE

M-DCPS Superintendent, Alberto M. Carvalho, School Board Members, representatives from the 2021 College Football Playoff National Championship Game Host Committee, and the College Football Playoff Foundation, community leaders, District and Kinloch Park Middle School administrators, and students joined together on April 29, 2021 to celebrate the new media center at Kinloch Park Middle School.

M-DCPS partnered with the 2021 College Football, Playoff National Championship Game Host Committee and the College Football Playoff Foundation to transform 16 media centers into Technology-rich innovation spaces over the next two years. This event is part of a \$2 million partnership between the three entities in support of the District's Middle School Redesign initiative, intended to meet the unique social, emotional, and academic needs of teachers and their students.

Magnet Schools Increase Diversity, Rigorous Learning Opportunities, and Strengthen Student's Academic Achievement

Magnet Schools are the largest form of public school choice. They were originally created as a means of promoting school integration and improving the quality of America's educational system through innovative curricula and Classroom instruction.

Miami-Dade County Public Schools (M-DCPS) has been at the forefront of the choice movement in education. Magnet Programs began in 1973. Since then, magnet options have greatly expanded within M-DCPS to more than 380 programs. A total of 27 schools have benefited from Magnet Schools Assistance Program grant awards since 1991. For more information on M-DCPS magnet programs, please visit miamimagnets.org.

M-DCPS has been awarded a \$14.1 million grant through the U.S. Department of Education's (DOE) Magnet Schools Assistance Program (MSAP). M-DCPS is one of only nine school districts chosen from 42 applicants nationwide to receive the award. The MSAP grant aims to eliminate, reduce or prevent minority-group isolation in elementary and secondary schools to strengthen students' academic achievement.

Students from Hubert O. Sibley K-8 Academy and Frances S. Tucker Elementary School will engage in Science, Technology and Arts (STArts) themed programs to foster ingenuity, critical-thinking, problem-solving and creative expression through a well-rounded lens. Students from Sibley K-8 will engage in Space, Sea, Land & Visual/Digital Arts exploration and innovation through hands-on experiential learning opportunities. Similarly, Tucker Elementary students will participate in the study of Space, Sea, Land, & Dance/Kinetic Movement integration.
